1805

Dieu est la Source, et les  
existences, et des Essences, et  
de ce qu'il y a de réel dans  
le possible. L'entendement  
divin est le Sein des vérités  
essentielles. Sans  
Dieu rien de réel, ni dans  
le possible, ni dans l'exis-  
tant, ni même dans le né-  
ant.

Leibniz.

nothing is so melancholy a  
circumstance in human life as  
to soon reconcile us to the  
thought of our own death as  
the reflection and prospect of  
one friend after another dropping  
round us! who would stand alone  
the sole remaining ruin, the  
last tottering column of all  
the fabric of friendships, once  
so large, seemingly so strong,  
and yet so suddenly sunk and  
buried! -
