Sic Hominum res fata rotant, dilabimur
acti

Turbine præcipiti pronóq; in fata ruentes
Poplite, ceu sese sinuosis flexibus urgent
Flumina vectigal Nereo pensura parenti.
Pondere cuncta cadunt proprio nilque
objicit orbis

Undique non fluxum; falso pasfim obvia
cultu

In fucata nitent, sed larvæ ludimur umbris.
Falsus Honos, vani tituli, preciosa pericla.
Quæ latebris promit scrutator ditibus In-
dus.

Fascinat hic splendor vano perstricta nitore
Pectora & incautos nervóque ac compede
vincit

Injectâ: nec enim facilè circumflua luxu
Mens sciat in tactum vitio servari vigorem.
At laudis hinc surgit apex, SCHVVANBERGE,
perennis

Hinc Tibi manat Honor, cui non temerare
favendo

Evaluit Fortuna animum. Sic nomine vero
Sincerus mundi pelagus pertransis OLORIS
In morem quamvis tactus, non tinctus ab
undis.
