FAcundæ celebrem Te laudat munere linguae
Scendentem populus pulpita sacra tuus:
Eloquio svavi mysteria namque revelas,
Quæque terenda piis, pandit ore, via.
Artes ingenuas sed & excoluissæ Sophorum,
Quæ caput exornant lauræ ferta probant,
Inclaresce magis parte ex utraque **MAGISTER**,
Theiologus fidus, candidus arte Sophus!

Quibus
Admodum Reverendo Dn. Wigeleb
solennia Magisterii gratulatur.

Ioh. A. Fischer Med. D. P.P. E.

Svavia, quæ nostræ modularunt carmina Musæ,
Sunt Tibi Vir multis digne novis Titulis:
Svavis enim Doctis dicendi qui modus audit,
Is svafit celsis plaudat ut è Cathedris
Et laudet Specimenstudiorum docta caterva,
Cum qua congrator de benè promeritis
His Titulis, quorum delecat nosse tenorem;
Wigleb Geranam Vir Reverendus adit,
Thesauros Sophici studii demonstrat Athenis
Nostris Geranis, laudeque Clarus abit.
Hinc plures, quos jam Titulos meditantur honoris
Musæ delectant, hos & habere juvat.

Ita Novis Dn. Magistri Wiglebs
honoriis asurgere debuit
