DN. FRIDERICI,
DUCIS SAXONIÆ, &c.

FRATRIS CHARISS. STUDIORUM CURSU:

Oelestis Sophiæ mihi jam fundamina jacta:
Debellata mihi, jam quoque Gram-
matica.

Nunc labor exiguus superest, sed magna
voluptas:

Nunc datur ad Musas currere lata via.
Nunc demùm docili comprehendere mente
juvabit,

Quis possim Patriæ mox bonus esse pater.

Tu quoquè, quem fratrem genuit natura, deinceps
Exemplo poteris lætior esse meo.

Perge modò, ut cœptum: pede non remorante secutus,
Mox eadem, simili sorte, trophæa feres.

Tu pie CHRISTE fave, studiorum cœpta secundans,
Ut labor hic, laudi serviat usquè tuæ.

*Cum debita animi subjectione gratulabundus,
hoc quaecunq; epinicion, Victori Grammati-*
